# Busy Bees

Ages 16 months to 2 years

The perfect learning environment for your busy babies, this two-hour class will teach group play with their teachers and friends. Activities like circle time, music, movement, ABCs, 123s and art will keep their busy bodies engaged while having fun. A simple routine will add just the right amount of structure to develop communication and coordination. In this session, we'll travel around the Earth's habitats, blast off to outer space and explore the wonderful world of Dr. Seuss!

Cost varies according to days registered per week. Please inquire.
