# Going Places

Ages 2.5-4

Going Places is a play-based enrichment program designed to nurture your child's need for a healthy learning environment with the structure of preschool. Through art, music, stories, movement and group activities, your child will learn about the world around them. In this session, we'll travel around the Earth's habitats, blast off to outer space and explore the wonderful world of Dr. Seuss!

Cost varies according to days registered per week. Please inquire.
