

EQUINOX

HOUSE RULES

As an Equinox member, we ask that you read and abide by these simple house rules. They'll help make an environment where everyone can maximize their potential.

HOLD THE PHONE

We ask you to be smart about your smartphone.
Please keep devices away from wet areas, and
refrain from phone use in the locker rooms. If
you need to make a call, please find a designated
space and be mindful of your noise level.

PRIVACY IS A BEAUTIFUL THING

To ensure privacy, taking photos or videos in private areas such as locker rooms is strictly prohibited.

See our [in-club filming policy](#) for details.

SHARING IS CARING

When you're using equipment, please allow others to work in with you. If you're unable to attend a class you've booked, please use your app to cancel your booking and free up the space.

CLEAN HOUSE

Our fitness studios, club lounges, and locker room benches are kept uncluttered for ease of use. We ask that your belongings be kept in a locker or at our seasonal coat check. Any unattended items will be gathered up.

SAFE AND SOUND

We can't guarantee the safety of your
valuables, so please leave them at home.

BEST FOOT FORWARD

Athletic shoes and attire are required on our fitness floors. Feel free to go barefoot in our locker rooms, fitness studios, and outdoor spaces.*

*At select Equinox locations.

HEAD OF THE CLASS

Please keep your belongings in a locker during class. For your safety, don't enter a class in progress, and if you've booked a spot, please arrive five minutes early. If you're working out in a studio on your own time, please don't use the sound system.

SHOWER POWER

Cleanliness is a virtue—shower before
you enjoy the pool* or other wet areas.

*At select Equinox locations.

WASTE NOT, WANT NOT

Water is life. We can all pitch in and help support the planet by being mindful of towel usage and shower time.

RESPECT ONE ANOTHER

Our steam rooms and saunas are sanctums. We keep these spaces free from food, grooming, training shoes, and workout clothes. Please be respectful of other members. Inappropriate activity will not be tolerated.

BE OUR GUEST

We love it when you share Equinox with others. Please check with your club for any limitations on guest access and remember that you're responsible for your guests. Guests and members aren't allowed to provide personal training services.

PAW PATROL

We love animals—but we're a club for humans.
For the safety of both, only trained service
animals are permitted in our clubs.

ALL IN THE FAMILY

We love family—but we're a club for grown-ups.

Unless we're holding a special event, we ask that children spend their visit at our dedicated kids space.* During special events, children should always be accompanied by an adult.

*At select Equinox locations.

THE FINER PRINT

In addition to these house rules, we expect our members to follow our [Member Policies](#). We reserve the right to revoke your membership if you choose not to play by the rules and violate our policies.

WE'RE IN THIS TOGETHER

When we look out for the club and one another, everyone wins. We appreciate your efforts to follow these house rules and cooperate with your club team. If you have any questions or concerns, your team is happy to address them.
